Instructions to Reviewers:

All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.

The attached copy of the application, any copies made therefrom and this form must be returned to the TO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

Instructions for Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from the filing date unless the application becomes the subject of a secrecy order.

This application is not to be disclosed to the public for 18 months from the date of its filing. If the application is published in a foreign country, the applicant must file a statement with the USPTO within 30 days of the date of publication of the application in the foreign country. The statement must contain a declaration that the applicant has not disclosed the invention to the public in any manner other than by filing the application in the foreign country. If the applicant fails to file the statement, the application will be deemed to be published in the United States. The applicant must also file a statement with the USPTO within 30 days of the date of publication of the application in the foreign country. The statement must contain a declaration that the applicant has not disclosed the invention to the public in any manner other than by filing the application in the foreign country. If the applicant fails to file the statement, the application will be deemed to be published in the United States.
